

Matchbook Book Report

Materials:

- Cover Page
- Matchbook Chapter squares
- File Folder
- Coloring materials (markers, crayons, and color pencils)

Directions:

- For each chapter create a matchbook square. To create a matchbook you need to cut out all the chapter squares and line them up and glue the top only so the square can be lifted.
- On the top of the chapter square draw and color your favorite scene from that chapter. (5pts)
- On the inside or bottom of the chapter square write a summary of the chapter. -Your summary must be 5-7 sentences. No more and no less. Pick and choose the most important events. (10 pts)
- Keep all of your chapter squares in a Ziploc bag until your ready to glue. Glue them all at once on the file folder.
- Decorate the entire front of your file folder with the matchbook cover. The matchbook cover should have a drawing of the cover of the book. (5pts)
